Urology, Andrology & Male Fertility Guide

Preparation and red-flag information for urinary, prostate, sexual health and fertility concerns.

CALL	78277 40409
ADDRESS	2281, opposite Marengo Asia Hospital, Sector 16, Faridabad
WEBSITE	www.skin-zen.com

Before your appointment

- Bring urine, blood, ultrasound and CT reports
- Bring previous prescriptions and surgery records
- Note urinary frequency, night-time symptoms, pain, fever and blood in urine
- For fertility, bring semen reports and partner records if available

Common consultation areas

- Kidney and ureteric stones
- UTI and recurrent urinary infection
- Prostate and bladder symptoms
- Erectile dysfunction and men's health
- Low sperm count and male infertility
- Couple-centred fertility planning

Privacy

Sensitive concerns are handled respectfully. Share a short summary for appointment routing and discuss detailed information privately with the doctor.

Urgent warning signs

- Severe stone pain with fever or chills
- Inability to pass urine
- Sudden severe testicular pain
- Heavy blood in urine or clots
- Reduced urine with severe illness or vomiting

Medical note: This guide is educational and does not replace individual diagnosis or emergency care. Medical and aesthetic outcomes vary.
